

# COASTAL & BEYOND

## 17 m Fast Combat Craft

### Main Dimensions

Length overall ..... 17.2 m  
Beam overall ..... 3.8 m  
Draught ..... 1.0 m

### Capacities

Complement ..... up to 24+3  
Fuel ..... up to 3 m<sup>3</sup>

### Performance

Speed ..... 40+ kn  
Range ..... up to 350 nm

### Propulsion

Principle ..... diesel-mechanic  
Main engines ..... 2x up to 900 PS MAN or SCANIA V8  
Propulsion ..... 2x Waterjets

### Interoperability

- Air lift transport via Airbus A400M without weapon deinstallation

### Aft Mission Deck

- Spacious flush deck for mission flexibility with wide sternramp for efficient operations of Divers, RHIB's or UXV, mines
- Optional stern A-frame or crane

### Sea Interface

- 2x RHIB/USV up to 4 m stern launched
- UUV/USV

### Naval Features

- Reduced radar, signature and low silhouette
- Modular bolt-on, mission specific ballistic protection
- Decoy/obscuring system
- Active defence system
- NBC protection system

### Main Gun

- 12.7 to 30 mm RCWS

### Mission Awareness

- Configurable foldable mast design with radar, EOD/S, IFF, ESM
- Centralized ship management NAV, CMS, IPMS

### Shore Interface

- Bow ramp for fast shore personnel deployment

### Accommodation

- Outstanding ergonomics
- Shock-mitigating seats for full complement
- AC/heating
- Low on-board noise levels

### Machinery

- 2x high-speed diesel engines with WJ's
- Battery system plus Genset
- Improved maintenance concept

### Auxiliary Armament

- 4x 7.62mm MG/minigun's/GMW
- Hellfire missile or mortar system

*Final configuration to be agreed upon with the end user.*
