

CLR

Compact Life- and Rescue Boat

Fully davit launched lifeboats – a conventional classic!

- designed for unfailing performance under rough conditions
- totally enclosed, compact and modular
- fits into tight spaces and operates easily
- capacity up to 117 persons (CL 13.2)

All boats are fully certified according to IMO/SOLAS standards.

The following types are available:

- “-P” model: partially enclosed (for passenger ships only)
- “-C” model: totally enclosed (for cargo vessels)
- “-T” model: totally enclosed with water spray and self-contained air support
