

GOVERNMENT OF BERMUDA
Ministry of Transport
Department of Maritime Administration

Service Providers for Lifeboats, Launching Appliances, and on-load Release Gear

Recognition of Authorisation.

Fassmer Service GmbH & Co KG Fassmer Service America LLC.

Noting that Fassmer Service GmbH & Co KG is authorised by the Governments of Germany and the Bahamas in accordance with MSC.1 Circular 1277 and the requirements of MSC.1/Circ 1206 for the provision of servicing for lifeboats, davits and on-load release gear for ships;

the Government of Bermuda accepts that:

Fassmer Service GmbH & Co KG is an authorized service provider for Bermuda ships provided that the conditions attaching to the certification issued by Bureau Veritas and by the Government of Germany continue to be complied with.

This document will remain valid provided that the authorizations referred to above remain valid.

Dated at Hamilton 31st January 2011.

D Howell
Director / Chief Surveyor.
