

FASSMER

SUPPORTER

OSV 68

68 m Offshore Support Vessel

For all activities that require a long time in the area and extended support upon any weather condition, our SUPPORTER provides flexible and reliable capabilities. With a large and well distributed deck area, the SUPPORTER can handle helicopters, boats, general cargo, underwater vehicles and even an advanced access system to connect directly to the offshore installations. Internal arrangement provides plenty of space for accommodations, workshops, theater, fitness room, sickbay and other multi-purpose spaces. Our team is ready to assist you on customizing the SUPPORTER to meet your precise offshore needs.
